Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 48 days in the year, there is no restriction,—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 48 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmitie contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmitates contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 23th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER. No. 351.

HORSE GUARDS, 12th September, 1818.

HIS Royal Highness the Commander in Chief is pleased to direct, that a Book shall in future be kept by the Veterinary Surgeons of Regiments of Cavalry, which shall contain Registries of their practice in cases of Sick and Lame Horses, and of the measures which are adopted when any contagious disease makes its appearance, specifying the particular Disease;—the Remedies or Mode of Treatment;—and the result of such Treatment.

A Return is to be subjoined, shewing the number of Sick and Lame Horses;—the nature of the Diseases with which they have been affected;—and the number which have been cured or have died, or been sold or destroyed;—during every Six Months, ending on the 24th March and 24th September in each year.

It will be the duty of the Commanding Officers of Regiments frequently to inspect this Book, which is always to be produced to the General Officers at the Half-yearly Inspections, with a view to its being noticed in their Confidential Reports.

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT, Adjut. Gen.

GENERAL ORDER. No. 352.

HORSE GUARDS, 16th September, 1818.

FREQUENT instances having occurred wherein Soldiers have been unnecessarily discharged from the service as incurable, the Commander in Chief directs, that, henceforth, no Soldier shall be discharged on account of *disease*, without the concurrence of the Director General of the Army Medical Department.

It will, therefore, be the duty of the respective Medical Officers to make the most circumstantial Reports of all cases of the above description to the Director General, upon whose opinion alone the case or cases shall be deemed incurable.

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT, Adjut. Gen.

GENERAL ORDER. No. 335.

HORSE GUARDS, 6th October, 1818.

THE Commander in Chief is pleased to approve of General Officers commanding districts in Great Britain granting Leave of Absence to Officers, and Furloughs to Non-commissioned Officers and Soldiers, under the following limitations and restrictions, viz.

The Leaves of Absence, granted under this order, to Officers, may commence as soon as the Half-yearly Inspections shall have been made:—the Furloughs granted to Non-commissioned Officers and Soldiers may commence from the 15th of the present month.

These indulgences are to terminate on the 10th March next, when, in conformity to His Majesty's Regulations, all Officers and Men are to be present with their respective regiments.

One Field Officer, one half of the Captains, and one half of the Subaltern Officers, are always to be present with their regiments.

No Officer (except in the performance of duty, or for the purpose of joining his regiment) is to quit the United Kingdom, without having first received the Prince Regent's special permission.

The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the number hereby fixed for the constant duty of the regiment or battalion.

The applications for Leave for Regimental Paymasters and Medical Officers are to continue to be made in the mode prescribed in pages 34 and 53 of the General Regulations of the Army.

In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of regiments, it will be necessary that a special report should be made as to the mode in which their duties are to be performed during their absence.

The proportion of Non-commissioned Officers, Trumpeters, Drummers, and Private Men, to whom Furloughs may be granted, are not to exceed ten per troop or company.

In the event of regiments or battalions being in stations not comprized in Military Districts, the Officers commanding are at liberty to use their discretion in granting the indulgence of Leave of Absence, under the foregoing restrictions, to the Officers and men under their command.

This Order does not apply to the Officers and men doing duty at the depots of regiments on Foreign Service.

By Command of His Royal Highness
The Commander in Chief.

HARRY CALVERT, Adjut. Gen.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 48 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 48 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission. Officers are precluded from receiving their half-pay if in the service of other Governments, unless special sanction is granted for so doing.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 23rd June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER. No. 334.

HORSE-GUARDS, 3d Nov. 1818.

HIS Royal Highness the Commander in Chief has been pleased to direct, that the following Regulations shall be observed in regard to the Depots of Regiments serving Abroad which are not entitled to retain Depot Companies on their Establishments.

The Colonel of a Regiment, or the Lieutenant Colonel by the Colonel's authority, will select a Captain to have the charge of the Depot: the senior Captain of the Regiment shall not be employed on this duty, as, for obvious reasons, his presence with the Regiment is at all times desirable.

No Officer is to be continued in the Command of the Regimental Depot for more than Two Years without the Commander in Chief's special sanction; nor is any other Officer to be prevented by any temporary employment he may hold at the Depot from proceeding in his turn to join the regiment.

The strength of the Regimental Depot must depend on the circumstances of the regiment. If the regiment is nearly complete, One Captain and Two Subaltern Officers, with Non-commissioned Officers in proportion, will (on the present plan of the recruiting service) be sufficient. If the regiment is weak, the strength of the Depot must be proportionably augmented, in order to insure a supply of Officers and Non-commissioned Officers to conduct to the regiment such recruits as may from time to time be obtained.

The Officer in charge of the Depot must be responsible for all details connected with it, in which is included the payment of the Non-commissioned Officers and Privates.

When several Regimental Depots are at the same station, the Senior Officer will of course assume the general command of the whole, without however interfering in regimental arrangements, which must be left in the hands of the Senior Officer of each Depot.

By Command of His Royal Highness the Commander in Chief.

HARRY CALVERT, Adjut. Gen.

GENERAL ORDER. No. 335.

HORSE-GUARDS, 10th November, 1818.

THE Commander in Chief has been pleased to direct it to be explained for the guidance of those Officers who command Regiments or Detachments at Stations in Great Britain, in which Parties of the *Disembodied Militia* are quartered, that these Militia Soldiers, whilst the Regiments to which they belong are disembodied, are not subject to the Controul or Command of Officers of the Regular Army.

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT, Adjut. Gen.

CIRCULAR.

IN consequence of her Majesty's lamented death, I have the honor to express His Royal Highness the Commander in Chief's desire, that immediately on receipt hereof you will cause the Colours of the Forts and Batteries under your command to be hoisted half staff high.

This mark of respect you will be pleased to continue to evince until Her Majesty's Funeral shall have taken place, the day appointed for which I shall have the honor to announce to you in a future communication.

I have, &c. (Signed) HARRY CALVERT,

Adjutant-General.

GENERAL ORDER.

HORSE-GUARDS, 20th November, 1818.

ORDERS for MOURNING for the ARMY, for HER late MAJESTY the QUEEN.

HIS Royal Highness the Prince Regent, acting in the name and on the behalf of His Majesty, does not require, that the Officers of the Army should wear any other mourning, with their Uniforms, on the present melancholy occasion, than Black Crape over the ornamental part of the Cap or Hat, the Sword-knot, and on the Left Arm; with the following exceptions, viz.

Officers on Duty are to wear Black Gloves, Black Crape over the Ornamental part of the Cap or Hat, the Sword-knot, and on the left Arm the Sash covered with Black Crape; Black Gorget Ribband; and a Black Crape Scarf over the Right Shoulder.

The Drums are to be covered with Black, and Black Crape is to be hung from the Pike of the Colour Staff of Infantry, and from the Standard Staff and Trumpets of Cavalry.

When Officers appear at Court in their Uniforms, they are to wear Black Crape over the Ornamental part of the Cap or Hat, the Sword-knot, and on the left Arm;—a Black Crape Scarf over the Right Shoulder; Black Waistcoat, Breeches, Stockings, and Buckles.
